## Key No. 1462 — Transcripts of RC Registers

The burial records of the Sacred Heart Catholic Church were made available to the cemetery recording committee. Not all burial locations are given in these records, so some of the earlier burials are in the old Catholic cemetery, some in the Catholic section of the old Wetaskiwin cemetery, in the new Wetaskiwin Memorial, and others in various cemeteries outside Wetaskiwin. Many of the names appearing in these records will be duplicated as they also appear in the listings for the other cemeteries.

## Cemetery No. 1485 — Sacred Heart RC.\* - Wetaskiwin

### NE-15-046-24-W4

This older inactive Catholic cemetery is located on the western outskirts of the city of Wetaskiwin. Not all burials have grave markers, and some of the older markers are somewhat weathered making them difficult to read.

A memorial plaque informs the visitors about the history of this cemetery and the Church that once stood at the site. As no plot plan was available, the plot numbers listed here are the row numbers as the cemetery was recorded.

Cemetery No. 1663 —Wetaskiwin Old Cemetery

NW-14-46-24-W4

The City of Wetaskiwin is located on Highway 2A a short distance south of the junction with Highway 13. The Wetaskiwin Cemetery, often referred to as the “Old Cemetery” is located near the centre of the City, on the east side of Highway 2A, near the old water tower that can be seen from a distance. It includes the Roman Catholic cemetery.

The cemetery was recorded in 1994 by members of the Edmonton Branch of the Alberta Genealogical Society. Of the 4342 burials recorded, approximately 125 do not have any dates. It is also important to note that some of the death dates have been transcribed from the records, but it is not always clear if these are in fact death dates or interment dates.

The town office has responsibility for maintaining the cemetery. Currently all burials are being done at the new Wetaskiwin Memorial Cemetery located toward the north-east edge of the City.
